WORDS FROM OUR CUBMASTER

What a wonderful Blue and Gold Banquet (celebration) we shared together. It was so nice that so many of you could make it. I am so proud of all our Scouts who completed their achievements and earned their rank badges. I also want to thank all the parents that helped out by helping setup, take down and help with all the food! We really have a terrific Pack.

This month we have one of the boy's (and dad's) favorite events...the Pinewood Derby! When people remember back to their Cub Scout days, what they remember the most is their Pinewood Derby. What could be more fun than hand crafting a car with your "dad" and racing it down a track? We'll have a "car clinic" or two to make sure that everyone gets a car on the track. We hope to help make some more Scout memories.

I am also getting very excited about our spring family campout. After a cold snowy winter, it will be great to get outside again! Make sure you mark the campout date on your calendar and sign up early because there will be a limit to how many can attend. We hope to have a great family turnout again.

And, as always, if you ever have any questions, comments or concerns, please let me know. We have a great Pack with great parents and we will continue to have fun - together!

Yours in Scouting,

John Kiernan

It's PINEWOOD DERBY TIME!

Get ready because here we go...

OUR SECOND PACK 567 PINE WOOD DERBY IS COMING UP FAST!
WE HAVE SO MANY EXCITING THINGS ALREADY PLANNED FOR THE
DAY OF THE DERBY AND OUR PIT CREW HASN'T EVEN MET YET.

Here is just a hint of what you can expect:

- Cool looking cars
- Fast races
- Good Sportsmanship
- Prizes
- Great Pit Stop Food
- Must have Raffle and Silent Auction Items **(YOU WILL WANT THESE!)**

Make sure you watch your e-mail for more information on what is sure to be an exciting day at the derby

PIT CREW NEEDED!

We are still in need of assistance for the day of the race.

All registered cars must pass inspections at check-in. The race doesn't start until all the cars are checked-in.

WHY NOT BE A MEMBER OF THE PACK PIT CREW? IT ISN'T DIFFICULT, IT'S FUN AND REWARDING, AND YOUR SON NEEDS YOUR HELP!

When building your car, make sure you follow the guidelines and rules so your car is eligible to race. Have fun building the car with your Scout and anticipate a day full of good sportsmanship, close races, must have raffle and silent auction items, and even the Pit Stop food.

If you haven't received your Scout's car kit yet, please contact your Den leader. Also, the Pack has a few kits available to buy (\$3.60) if you plan to build a car for the Pro-Modified class (Moms, Dads, and Boy Scouts can build a car and race it).

Please consider volunteering to help make wonderful memories for your son and the other Pack 567 Scouts. We plan the Pinewood Derby at our Pack Parent Meeting on Wednesday, March 11, 2009 (6:30 pm Nash). If you can't make it and would like to help, please stop by the information table and sign up or contact John at john@nashack567.org.

SUNDAY, MARCH 22, 2009

It's PINEWOOD DERBY TIME!

The purpose of the Pinewood Derby is to help the Cub Scout build a team relationship with their parent or helper, experience the sense of accomplishment and the excitement of competition, learn Win/Lose good sportsmanship, and to have fun.

The model cars are made of wood to specified dimensions, created, carved, assembled, and decorated by Cub Scouts under the guidance of the parents or helpers. The cars are gravity powered and run down a special track.

Like all successful events, it requires planning and preparation, but the payoff in fun and strengthening family relationships has been proven over the years. By following a plan and distributing responsibility among several Cub Scout parents and leaders, we can plan and achieve a successful Pinewood Derby.

We plan our Pinewood Derby at our Pack Parent Planning meeting (March 11th)!
JOIN US!

We will be running three classes:

1. Cub Scout
2. Pack Alumni
3. Pro-Modified (Parents and everyone else)

Check our Pack website for all the rules and regulations.

If you have any questions, your Scout did not receive his car kit, you need to buy a car kit for yourself (pro-Modified class), are interested in being the Crew Chief, or being a member of the Pack Pit Crew, please contact us.

EXTRA CAR KITS CAN BE PURCHASED FROM THE PACK FOR \$3.60

The Skipper says...

ONE HOUR TO SAVE THE WORLD!!!

Only super heroes can save the world, right? Then that makes you a super hero! On Saturday March 28th from 8:30-9:30 p.m. pledge to help save the world just by turning off your light. It's called Earth Hour and it is to show your support for the Earth. As a Scout, you know that the Earth is important and it needs to be cared for, but show everyone that you mean business, by turning off lights and anything that uses electricity that you don't need. You can check out the cool website for kids at www.earthhourkids.org. Your parents can sign up your family to be counted as participants at the grown up website www.earthhour.org.

Here are a few simple things that you can do as an Earth Super Hero:

1. If your Gameboy (or anything that plugs in to charge) is all done charging unplug the charger from the wall. Even if it is not charging, if it is plugged in it still uses power.
2. Ask your parents to turn the thermostat down just 2 degrees when it's cold outside, and up 2 when it's warm outside.
3. If you live close enough to school, ask if you can walk or ride your bike. If you have to drive, see if you can carpool with neighbors.
4. Don't take a throw away lunch. Instead of a paper bag use a lunch box and instead of Ziploc baggies, use reusable containers, don't forget to take a reusable water bottle.
5. Recycle-this word means so many things. See how many cool things you can make with items that would normally be thrown away. If you are not sure if something you are throwing away can be recycled you can ask your parents to download the information on everything that Kenosha recycles (it's more than you would think)

<http://racine.uwex.edu/documents/reducereuserecyclingKenRacsingpage.pdf>

You are well on your way now, Super Hero. Now look over the requirements (on page 9) for the World Conservation Award and see how you can earn it.

Congratulations, breathe easier knowing that you are doing your part.

If you have any questions, please contact me, Skipper.

Pack 567 Blue and Gold Banquet

THANK YOU... PACK 567!

Our Scouts worked very hard to achieve their advancements and deserved to celebrate. We tried hard to give them a banquet they deserved. Our 2009 Cub Scout Pack 567 Blue and Gold Banquet was a huge success. We seated, entertained, and fed over 182 people. What an awesome turnout!

Before leaving, the Mayor complimented us on the wonderful banquet we put on for our Scouts. He was pleasantly surprised. Our Scouts impressed him and he praised our Pack families. He knew it was the parents that were active in their Scouts experience that made our Pack so wonderful. He has never seen a group of families so involved... he made me cry because I knew all those things about our Pack Family and I'm proud to be a part of this family with you.

Senator Wirth told me he really enjoys coming to our banquet and looks forward to celebrating with us. He also called Mr. Pitts the following Monday to praise our Pack. He said it was the best banquet he has been to. Mr. Pitts shared this information on the school announcements for the entire school to hear. WOW!

Our Alderman, David Bogdala has a 3 year old son, but can't wait for him to join Cub Scouts. We have a great program here.

All this praise is because of you, the many wonderful parents that volunteer your time and talents. Many of you jumped-in without being asked, we thank you for seeing the need for extra hands. It takes many people and countless hours to bring a Scouting program that is fun, exciting, and memorable. Without you, our program wouldn't work. We need your help to make YOUR Pack great. So, Thank you!

To our Leaders: THANK YOU! You not only guide our Scouts as they earn their advancements but you also gave us a celebration that we won't soon forget. Your generosity is appreciated and your passion for Scouting is contagious. We also thank your families for allowing us to experience Scouting with you.

To our Families: THANK YOU! Our Banquet is to celebrate Scouting and our Scouts, but it takes family involvement to make the program work. You worked hard with your Scout to assist him with tasks needed for his advancement. I hope you enjoyed yourselves too, we try to make Scouting a family experience.

To our Scouts and "Fathers" : THANK YOU! You did an awesome job with our second annual cake bake. We were pleasantly surprised by the number of cakes and the quality. You should all be proud! We all ate well. Start planning next year's cake...

Congratulations to all the Scouts that received awards and to those that crossed over to Boy Scouts. For those that did not receive an award at the Banquet, keep working hard towards your achievements, we know you can do it! Just Do Your Best. Pack 567 is proud of every Scout in our Pack family.

I am proud to say I belong to Pack 567!

FOR OUR KIDS,

THANK YOU!

It takes **EVERYONE** in our Pack Family to make this a **GREAT** Pack for our Scouts! Thank you to those who step forward and ask "what can I do?" or just pitch-in and help. We are all parents of Cub Scouts of Pack 567 and we can't do this alone... but we can do it together *for our kids*.

Pack 567 is always looking for fun and enthusiastic individuals to join the Pack Committee and have ideas on how to make *YOUR* Pack the best it can be.
